Photographs of January

Teachers open the door.
You enter by yourself

Dragons soaring and tigers leaping

A person with a smile opens shop

A smile will gain you ten
more years in life

Learning is a treasure that will
follow its owner everywhere

No matter how tall the mountain,
it cannot block the sun

A good listener needs few words

A small key can open big doors

Genius can be recognized by its
childish simplicity

Kind words can conquer

A fall into a ditch makes you wiser

Character can be built
on daily routine

All things change, and we
change with them

Photographs of January

Behave toward everyone as if receiving a guest

Starlight shines far

It just needs hard work to grind an iron rod into a needle

Learning is a weightless treasure you can always carry easily

Better a diamond with a flaw than a pebble without one
