Photographs of April

Never judge a book by its cover

Our differences make us unique

Happiness comes from within

Embrace your opportunity to be different

Embrace each other's uniqueness

Believe in yourself and others will believe in you

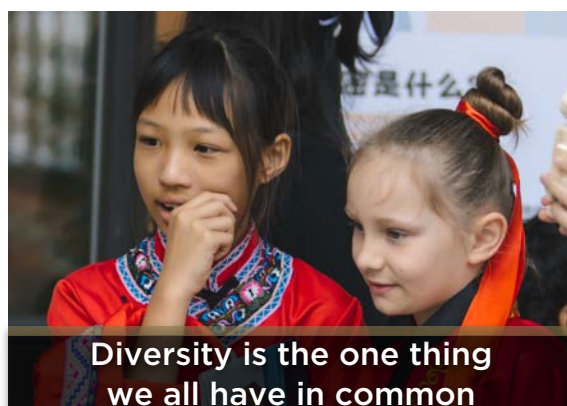

Culture is the fabric of our society

Songkran: the only time it is ok to soak a stranger

There is a hero in all of us

Diversity is the one thing we all have in common

Books are like people: the more diverse, the more interesting

Cultural diversity is the spice of life

A book is a friend that you can always count on
